NORWAY AND VICINITY

Bert Hamilton remembers the Weary Whittler with a generous amount of California red wood. It's too good timber for even John Woodman to make into shavings and sell at ninety dollars a thousand and he uses the highly colored stock sparingly. Joe Milliken of Lewiston sent in some pumpkin pine that is 175 years old. It was a piece of broad-ax hewed frame that came from a building in Mechanic Falls.

Recent heavy rains have filled the lake to a high water mark with the ice unbroken over the surface. Frequenters of the Weary Club have a wide margin for the dates when the lake will clear. April 10 is about midway and the popular guess.

Freeman C. Smith & Son are plastering and doing other mason work in the Bartlett rent over Chas. A. Richardson's market.

James Pledge is having repairs made on his stable, the most important being prepared roofing laid on over the shingles.

Mr. and Mrs. Jesse P. Edwards spent the week-end with their daughter, Mrs. Henry O. Russell, at North Norway.

The whittlers of the Weary Club are now busy making canes. Geo. L. Noyes has brought in a dozen or more natural turned ones, within a few days.

Mrs. Mary A. Metcalf of New Rochelle, N. Y., is the guest of her brother, Wm. F. Jones, and family.

Leon M. Longley is having his chimney rebuilt and several rooms plastered at his residence on Crescent street. Freeman C. Smith and his son Melvin are doing the work.

H. Lowell Cleveland and young son of Otisfield spent Sunday with his mother, Mrs. Mary Cleveland.

Arthur Bartlett returned to Bowdoin college, Monday afternoon, after spending several days with his parents, Dr. and Mrs. H. L. Bartlett.

Preparations are being made to reopen Beal's Tavern the last of this month or the first of May. Tony Young and Billy Sheffield are connecting the disjointed piping and getting other things in readiness for Bob Seavey's return.

Freelan Young is hunting for two cedar posts with chicken wire attached. This article used for a trellis in his garden was left in a convenient place last fall, but has vanished. Freeland has a good clue leading to the person responsible for the change in location.

The usual dance under the auspices of Norway Grange will be given, Saturday evening, April 9. Anderson's Orchestra will be there to produce jazz and contras for which these gatherings are famous.

Mt. Hope Rebekah Lodge No. 58, has postponed its supper and roll call from April 15 to a later date to be announced.

Billy White has commenced training for the walking match to Waterford against the invincible Shorty Cook. This sporting event will be staged next fall, and will settle an argument which dates from last Thanksgiving day. Billy has some twenty pounds of superfluous flesh to drop during the summer. His cross country hikes every Sunday is the beginning of a systematic course of training for the big local event with a substantial purse for the winner.

Ernest Cloutier, formerly operator at the Savoy Theatre, South Paris, has settled in Norway with employment in the shoe factory. He has been substituting as operator at the Empire in Lewiston, the past few weeks.

Harry Bell has sold his house in Oxford Park to Lon Hodsdon and bought a lot from Sam Fogg on Alpine street in Norway, where he is putting up a building for occupancy.

Norway Grammar school ball team was defeated by the South Paris Grammar school team on the Brick school grounds, South Paris, Saturday afternoon. Score was 9 to 3. Each team has won a game thus far this season.

NORWAY MUNICIPAL COURT.

Wm. F. Jones, Judge

By agreement of counsel, the case of State vs. Mrs. Hortense Goff was heard to a conclusion Tuesday afternoon and not Saturday as set by Judge Jones at the first hearing.

Mrs. Goff of Norway pleaded not guilty to larceny at the arraignment last week and had been admitted to bail pending the hearing. She was charged in the indictment with removing jewelry and money from the home of Mrs. Evelyn R. Olmstead, Whitman street, Norway, on March 19. Total value estimated at about $87.50.

Mrs. Mabel Elliott, formerly of Island Pond and a particular friend and boarder at Mrs. Goff's was the star witness for the state. Her association with the respondent at the time the property is alleged to have been taken, and a companion during a trip to Groveton, N. H., Island Pond, Vt., and other places during the week following the alleged theft produced interesting testimony. Mrs. Goff denied the story told by this witness, and brought counter charges implicating the witness not only in larceny, but destroying the evidence at Island Pond before their return home.

Articles of clothing worn by the respondent, and the star witness on that March 19th, figured as exhibits by the defense. Lewis M. Davis, for the State, testified to seeing a white moving body in the Olmstead apartments while the family were away after Mrs. Olmstead had securely fastened the doors. Whether or not this object was a person, did not appear in the evidence, but the light apron worn by Mrs. Elliott as alleged, and a dark blue percale apron said to have been the property of Mrs. Goff, were submitted by the respondent's counsel. The fact that the Olmstead door was open and disclosed the object in the room was used for circumstantial evidence.

Testimony offered by the State and respondent's principal witness were in direct contradiction, but given apparently in good faith. Cross-examination failed to shake either side.

Probable cause was found, the respondent was bound over in the sum of $1,000 for her appearance at the May term of Supreme Judicial Court. Bail was furnished, the sureties were her mother, Mrs. Fannie S. Pratt, and her husband, George Goff. County Attorney Harry M. Shaw of South Paris was for the State and Wilfred G. Conary, Norway, for Mrs. Goff.

Mr. and Mrs. Vivian W. Hills returned, Friday from an extended visit in Massachusetts and Norfolk, Va. Mr. Hills has taken on considerable flesh and is greatly improved in health. The trip was enjoyable, being given up to visiting and seeing the sights. He has re-opened the optical department in the Opera House block.

George Wood, assistant manager of Robinson Theatre at Oxford, was in town Tuesday, on business.

Mike Livingston of Rumford, superintendent of the road building crew for James H. Kerr, arrived, Tuesday, and is preparing for an early start on the cement street in South Paris village. About three quarters of a mile remains on the first contract. Concrete will be laid on Cottage street, Norway, after the main highway is completed to Park street bridge in South Paris.

A corporation caucus will be held Friday evening, April 8, at Engine House Hall.

Oxford Royal Arch Chapter No. 29 will hold a special convocation in Masonic Hall Wednesday evening, April 13. Work in the Royal Arch degree.

Arthur Descoteau of Bates College has been spending several days at his home here.

Harold Drake has a three-year-old white Plymouth Rock hen capable of producing big eggs. The last product measured 8 inches around the longest way and 6 inches around the middle. A double yolk was found with part of a third yolk in the making. Apparently biddy's laying days were over months ago, but this last effort will give her another chance to stay with the flock a while longer.

Dr. Charles I. Fogg has returned from South Paris, where he has been spending the winter, and opened his home at the Falls.

Philip Foss returned to Bowdoin College Tuesday, after visiting his father, Walter Foss, during the vacation.

Frank Woodsum returned Saturday from West Lovell where he has been teamster during the winter for L. A. Chute.

Joseph F. Lafrance is travelling salesman for J. H. Pierce & Co. of Boston, handling tea, coffee and cigars. He has been working in this vicinity this week.

Charles Herrick, who bought the Mrs. Charlotte Pratt stand at the Falls is connecting with the sewer on Fair street.

Maurice Noyes' crew of carpenters commenced Friday on C. H. Young's garage near the fair grounds and have the 44x80 building up and ready for the cement floor. A building to be used for storage of automobiles will be erected when the carpenters have finished the garage.

Mrs. Arthur Morrill found some fine Mayflowers, Tuesday, in the woods near her home on the south side of Pike Hill.

Mrs. Sam Isaacson and young daughter are visiting friends and relatives in New York city this week.

Guy Cotton has moved his family from South Paris into one of the Clark tenements on Water street.

Roger M. Hutchins of New York sends us a fishing rod of small size and a lead pencil. This suggests return of spring, fishing and writing about it.

Mr. and Mrs. L. J. Brooks spent several days in Boston and vicinity visiting their daughter, Doris, and relatives.

Donald B. Partridge will deliver the Memorial day address.

Oliver J. Foss has had his house on Paris street wired for electric lights. Howard B. Young did the work which was completed, Saturday.

Katherine and Charlotte Longley are spending the school vacation at Charles Dunn's in North Norway.

Ellen F. Brown, who has spent the winter at Charles Libby's has gone to William C. Leavitt's to board.

Mr. Chick, who has been cutting cedar bean-poles at North Norway near Patch Mountain, shipped 50 bundles of poles, last Tuesday, to Westbrook.

Knights of Golden Eagle Entertained

Ladies' night was observed Wednesday evening by Oxford Castle No. 2, K. G. E. and a party of eighty knights, their ladies, and invited guests attended the supper at 7 o'clock and remained for dancing which followed until a late hour.

The menu included baked beans, salads and pastry with other articles of food solicited by the committee comprising Eugene Descoteau, chairman; William McDaniels, Walter Smith, Everett McKay and others.

After the tables were cleared from the hall, Hosmer's Orchestra, including Herbert Hosmer, Jr., Ben and Henry Hosmer, Chester Hammond and Mrs. Ben Hosmer. appeared for dancing, and a merry evening was in order. Between forty and fifty couples enjoyed the varied order of dances given. The affair was entirely informal and one of the most enjoyable events in the Eagles' calendar.

Pythian Sisters Changed By Prof. Baxter

Spinsters were revised and changed by Prof. Baxter's Elixir and Electric Transfor "her" after the regular meeting of Lake Temple Pythian Sisters Tuesday evening. The entertainment was staged to amuse the members in place of a sociable, and a crowd was there to witness this "old maid's convention" and the wonderful transformations.

According to the play officers were chosen to preside, they were president, Gertrude Libby; sec., Mary Lewis; treas., Alta Hall. This convention was called to procure husbands or change any spinster not satisfied with her occupation or environment. Edward Sharon impersonated the wonderful professor and performed miracles with the elixir and machine.

The candidates for a trip through the machine were numerous. Mary Lewis wished to be transformed into a songster and out popped Elon L. Brown in her place. Alta Hall desired to be made into a fashionable lady and her wish was gratified when Nettie Nevers appeared as the wish. Nellie Goodwin wanted to become a school girl, her daughter, Dorothy, stepped from the machine to impersonate the change. Alozia Witham was tired of living an old maid and asked to be made into a little boy. Arthur Lewis dressed to fill the part, skipped from the machine in her place. Clara Schnuer, Harriett Brown, Gertrude Mattor and Mary Kimball refused to make any changes by this method. Eva Anderson was a seeker after the Norway post office and her double was Philip Stone. Rubira Sharon was possessed to become a man, but the Professor's equipment was not equal to the task and the convention broke up when the machine turned out only a few articles of wearing apparel.

Pythian Fair

The Pythian Sisters will hold a fair in May followed by a supper and entertainment. The date will be announced soon. The following committees have been appointed.

Decorations—Mary Lewis, Nettie Nevers, Grace Pike, Edna Thompson, Edward Anderson, Arthur Lewis, Edward Sharon, Ed. Thompson and Leslie Whitman.

D. Crommett Clark, editor on a Lynn, Mass., newspaper, sends us a sample of wood "the like of which we never whittled before." It came by mail and was pronounced side-hill pasture spruce and he was so informed. Promptly we were "to guess again, as it wasn't. Neither was it white, black, red or cat spruce though its close relationship to these woods is apparent."

We give it up as do the other whittlers. The specimens are at the Weary Rooms.

On Friday afternoon at 2:30, a meeting of interest to all women will be held at Community Hall, Methodist Church, by the ladies of the Norway Woman's Christian Union, Edith L. Soule, R. N., division director of health of Augusta will address the meeting on the subject of "Child Welfare." The South Paris Union has been invited to attend.

Judge C. F. Whitman has recently received two fine grape vine plants from Harry E. Gibson of Visalia, Cal. He will set them out as soon as the ground is suitable. The grapes are of the very best table variety.

Mrs. Annie Harriman's dog hasn't forgotten her, evidently. One frequently sees him trotting up the street to the Pleasant street house. He lingers around there for some time and reluctantly comes away without seeing her and returns to his new mistress, Charlotte Lovejoy.

Lawrence M. Carroll, representative in the legislature, has got passed a special pension bill for Thad Cross at the rate of six dollars per month.

Capt. Mel Sampson let a row boat for a pleasure party on March 28th. An open bog to Crockett's bridge and mild weather attracted the first boating party this season. Capt. Sampson comments thus, "This is the earliest date to my knowledge any boating has been possible over the whole bog."

Fred Kelley has moved from South Paris to Norway and has rooms at Fred Kilgore's on Beal street. He is still employed at the Paris Manufacturing Co.

Edward H. Brown spent the week-end at his home in Bethel. He is busy during the school vacation visiting members of the Agricultural class and gathering information for the individual project work to be arranged for each pupil during the summer. In addition to this work several farms have been visited by request and advice given relative to the management of herds, poultry and the scientific treatment of orchards. He has treated numerous fruit trees in the village during the past week.

Among the First Ball Games

A ball team from the 6th and 7th grades defeated a nine from similar grades in South Paris at the fair grounds Saturday afternoon. The score was 11 to 6. Norway players, their positions and scores were, A. Labosiere, C. 1; R. Brown, p 1; A. Saleeby, 1b 2; H. Perry, 3b 3; W. Labossiere, 2b 0; H. Millett, ss 2; E. Hall, lf 0; F. Lewis, rf 1; E. Anderson, cf 1; total, 11 runs. South Paris players were, K. Aldrich c 2; R. Aldrich, p 1; A. Martin 1b 1; G. Libby, 2b 0; H. Morse, ss 1; H. Belle, 3b 0; F. Martin, lf 0; E. Libby, rf 0; S. Russell, cf 0; Z. Morse, p 0; total, 6 runs. Seven innings were played.

Snow-Shoes For MacMillan

The W. F. Tubbs Snow-Shoe Co. are making shipment of an order of snow-shoes to be loaded on MacMillan's ship, the Bowdoin, which is to be launched Apr. 9th at East Boothby, Me. This company supplied MacMillan with the last lot of snow-shoes when he went to Crockerland and he considers them the very best.

This trip they are taking is under auspices of the National Geographic Society and they are planning to explore the last stretch of unknown coast line in the world which will take two to three years.

There were several snow-shoe makers through the country who tried to sell Mr. MacMillan, but he considered "Tubbs" snow-shoes superior to any others.

Mrs. George L. Devine and daughter Louise of West Paris have been visiting her sister, Mrs. F. E. Decoster.

Baseball fever has broken out in the shoe factory. It is expected teams from the lasting and stock rooms at the Carroll, Jellerson Co. will cross bats on the fair grounds, Saturday afternoon. There is a strong probability of running a Cobblers' League again this summer with games one or two afternoons a week after working hours.

Donald McAllister and Harold Nevers are spending the week with Donald's sister, Mrs. Perley Grover, at North Waterford.

At the next meeting of Lake Temple Pythian Sisters on Tuesday evening, April 19, five candidates will be given the degree. A buffet lunch will be served without cost and each member should contribute a plate of refreshments. The committee includes Lola McAllister, Nettie Nevers and Mary Kimball.

CORPORATION MEETING

Corporation meeting, next Monday evening, at 7.30. It is important that there be a good attendance.

Many articles are in the warrant with several suggestions of changing the By-Laws and increasing the pay of the Chief Engineer from $50 to $100, and the assistants from $15.00 to $25.00 per year, and members of the fire department in about the same proportion.

Norway High School Wins A Medal

By writing 51 net words per minute for 15 minutes, Richard Perkins of Norway High School won an honor medal in the public high school class at the New England School Championship Typewriting Contest, held at Mechanics Hall, Boston, on April 4.

About 6,000 persons witnessed the contest, in which 115 pupils, who began the study of typewriting not earlier than last September, representing 30 private and public schools, were entered.

Mr. Perkins wrote over 835 words in the fifteen minutes, making only seven errors—a remarkable record for accuracy under the nervous strain of such a contest.

American Legion Notes

The bills for the minstrel show have been paid, leaving a little over $400 profit.

A certain quota is to be raised for the French orphans and red silk poppies are to be made and sold for a button hole bouquet on that date to be announced later. The entire proceeds will be devoted to this humanitarian cause. About 250 bouquets will be sold.

The Legion by a recent vote decided not to purchase real estate or acquire any property for the present. They will retain their headquarters by lease as in the past.

Additions and conveniences are being supplied the rooms as funds or donations permit. More electric fixtures have been installed in that part of the lodge room not fully illuminated by the regular lighting system.

Veranda Club Notes

Veranda Club met with Mrs. Nellie Merrill, Thursday evening, Mar. 24, where a very pleasant evening was spent. It was decided to meet at the home of Clara Ames, Friday evening, Apr. 1, to tack a quilt.

After the business meeting the hostest served a delicious lunch. Next meeting will be with Mrs. Agnes McCready.

SOUTH PARIS

Clifford-Fletcher

Osman K. Clifford and Mrs. Annie D. Fletcher, both of South Paris, were married, Mar. 30, at the home of the groom on Oxford street. Rev. Edward A. Morris of the Congregational church was the officiating clergyman, using the single ring service. Those present were Mr. and Mrs. Merton K. Clifford and Mr. and Mrs. Harold Fletcher. Ice cream and cake was served after the ceremony. A wedding cake made by the bride's mother, Mrs. Clara Doble, was cut and served by the bride.

Mr. and Mrs. Clifford are well known in town, having resided here several years. Mr. Clifford is a partner in the lumber firm, Chadbourn & Clifford, and also carries on extensive wood and lumber operations independently. He is also a member of the board of selectmen. They will reside at the Clifford home.

Mrs. John S. Blair

Mrs. Lillian E., wife of John S. Blair, passed away at her home on Church street, South Paris, early Friday morning. She had been in failing health several months, but the final illness was of short duration. Her age was 56 years.

Mrs. Blair was the daughter of Mr. and Mrs. Alanson Dawes of Harrison. She married Mr. Blair, Mar. 30, 1901, and they settled immediately in South Paris where they have since resided.

She was a member of the South Paris Baptist church and of Mt. Pleasant Rebekah lodge.

Beside her husband she is survived by her father, two brothers, John M. Dawes of Everett, Mass., and Leman Dawes of Harrison, one sister, Mrs. George Flint of Harrison.

The funeral was held at her late home on Church street, Sunday afternoon, Rev. G. Howard Newton officiated. Selections were rendered by a male quartet, George Cutting, Morton V. Bolster, Rev. E. A. Morris and Arthur Witham. The bearers were Irving O. Barrows, George Soper, Wesley Hammond, Bert Hammond, Lyndon Brackett and Luther Hollis. Interment was at Riverside cemetery.

Help Your Town

When a person is unable to walk on the quiet streets without being insulted, the matter should be looked into; also a few stories floating around town should be considered.

A few young fellows occupying the school yards during school hours should be at work attending to their own affairs instead of others.

In closing will say: Please welcome newcomers instead of trying to injure their characters by repeating false stories.

Weak, Weary Women
Learn the Cause of Daily Woes and End Them

When the back aches and throbs,
When housework is torture,
When night brings no rest nor sleep,
When urinary disorders set in,
Women's lot is a weary one.

Doan's Kidney Pills are for weak kidneys.

Have proved their worth in Norway.
This is one Norway woman's testimony.

Mrs. W. J. Olmstead, 95 Main St., says: "Four years ago my kidneys began to give me trouble. They were weak. My back ached so badly I could hardly get through with my housework. Everything I undertook to do seemed a drag for me. I was dizzy and could see little star-like spots before my eyes. My feet and ankles swelled. I read about Doan's Kidney Pills being so good and got four boxes and when I had finished taking them, I felt as well as ever. The backache ceased and my kidneys became regulated. I have told a number of people about Doan's Kidney Pills and never fail to recommend them."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Olmstead had. Foster-Milburn Co., Mfrs., Buffalo, N. Y. 13-14

Farewell Reception

On Saturday evening, March 26, a farewell reception was given at Grange hall in honor of Dr. and Mrs. O. S. Pettingill, Dr. Stanhope and several others, who are about to leave the Hebron Sanatorium. The affair was arranged by the board of trade and the grange. A pleasing program was given:

Piano duet Mrs. H. E. Verrill and Ruby Verrill
Remarks Charles E. Glover
Readings
Mrs. Merton Rawson, Marion Cummings and Mrs. G. I. Conant.
Solo Elsie Conant

Music was furnished by Davis orchestra from Norway. Ice cream and cake were served. A social hour was spent in dancing. Both Dr. and Mrs. Pettingill are held in high esteem in the community. They have the best wishes of all. The committee in charge were:—Mr. and Mrs. C. W. Cummings, Mr. and Mrs. A. A. Conant, Mr. and Mrs. E. E. Hutchinson, Mr. and Mrs. W. G. Conant and Dwight Cushman.

Hebron grange attended the Easter services at the Baptist church in a body. The church was prettily decorated with potted plants and flowers. An inspiring sermon was preached by the pastor, Rev. A. E. Kingsley. Excellent music was furnished by the choir, consisting of:—Prof. A. L. Field, Mrs. Howard Glover, Elsie Conant, Prof. Robert A. Kingsley and A. E. George, Mrs. J. A. Hibbs, organist.

INTRODUCING
The New Household and Stable Remedy
PETRO-TAN
For External Use On Wounds of the Skin

AS A HOUSEHOLD REMEDY

Petro-Tan is without question the ideal treatment for Cuts, Burns, Insect Bites, Chapped Hands and other wounds of the skin.

FOR CHILDREN, it will prove "mother's helper," and the "children's friend" especially on Cuts and Burns, as it forms a firm protective coating and lessens the pain.

AS A STABLE REMEDY

Petro-Tan is indicated on animals for Galls, Saddle and Collar Boils, Interfering Wounds, Scratches, Sore or Cracked Teats, Small Cuts and Abrasions.

WHAT IS PETRO TAN? Petro-Tan is a high-grade ointment, blue-black in color, with a distinctive, pleasant and health giving odor. Petro-Tan is very active in its healing properties. It will not injure the most delicate skin. Petro-Tan has SIX distinct CHARACTERISTICS as follows:

ASTRINGENT—Arrests bleeding. Dries out the surface. Stops formation of proud flesh.

PROTECTIVE—Forms a firm coating or scab. Prevents infection. Excludes air.

STIMULATIVE—Promotes healing. Neutralizes the astringent effect.

ABSORBING—Absorbs all excessive moisture. Stops putrefactive odors. Aids in the resolution of diseased tissue.

SOOTHING—Allays irritation. Stops itching. Softens and soothes inflamed raw surfaces.

ANTISEPTIC—Kills germs. Lessens pain. Prevents fermentation. Heals rapidly.

CREAM WHITE FINISH

NEW ROOMS IN A FEW HOURS

DO you need another room? Do your walls need redecorating? Neponset Board is just what you should select for making two rooms out of one, for replacing old walls and ceilings, or for wainscoting.

Bird's Neponset Board is moisture-proof on *both* sides. No painting required, as its stippled cream white finish is really beautiful,—but if you wish to paint it, it takes paint easily and economically. Comes in sheets ready to use—only hammer and saw needed to put it up. Artistic interiors made in a few hours.

Think how many places there are in your home where Bird's Neponset Board can be used to advantage. Then come in and let us tell you how little it costs.

The Gould's Academy pupils have been at their homes for the Easter vacation.

Several from this town attended the Chapman concert at Bethel, March 23.

Schools throughout the town began, March 28th, with the same teachers.

C. F. Saunders is moving his family to the village. Mr. Barlow, who has recently bought their farm, took possession, April 1st.

Mrs. P. O. Brinck was at Rumford, Tuesday.

WATERFORD

George Hill's water mill at Waterford burned last week, which was a great loss to the community as well as to himself. The cause of the fire is unknown.

Ray Douglas is home from Norway high school for a two weeks' vacation, and it is understood that he will superintend the sawing of long lumber at the Morse mill. He will also go to Abbott's mills later to superintend the sawing there.

W. W. Fillebrown is thinking of installing a soda fountain in his store this spring. This will be a great help to his business, as it will draw the farmers' trade. It is also understood that he is going to enlarge his store.

Tuesday night the ice from the lake pushed the William's boathouse from its foundation, but fortunately there were three good men and a boy on the scene soon after and no harm was done.

In addition to his other duties Ray Douglas has about twenty cords of wood to put into the shed.

Guy Dudley is preparing the Lake House for a large summer trade.

Rev. and Mrs. Jones are leaving Waterford for a two months' vacation in Wales, their home country.

BROWNFIELD

Fred Leighton of Portland was in the village recently.

Deborah Spring, who is attending school at Springvale, has been home on a ten days' vacation.

All of the village schools are again in session after three weeks' vacation.

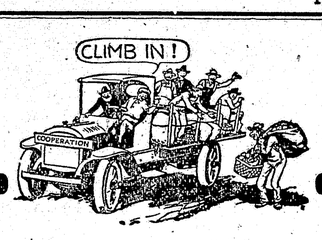

Mrs. Irving Linscott and daughter, Ruth, are visiting friends in Massachusetts. Mrs. Linscott is detained on account of illness.

Mrs. Alice Thorn is very ill with but little prospect of her recovery.

Sherman McDonald and son, John, who have been employed during the winter at Steep Falls, are at their home on Spring street for the present.

Rev. Mr. Merry occupied the pulpit at the Congregational church, March 27th. There was an Easter concert in the evening.

Elva Poore of Cornish spent last week with Mrs. Fitch.

The Open Road

As I understand it, one notion that opponents of farmers' organizations have got to get out of their heads is that the farmer wants an artificially boosted price for his produce. What he's after is just an *honest* price and an open road to market. I know my opinion is sound, because I got it from

The COUNTRY GENTLEMAN

In next week's issue is a most helpful article which discusses plans for coöperative marketing, not only locally, but at the terminal market points. I wish all you farmers could read it.

Stuart O. Blythe writes it. He is probably as well informed as any man in the country on co-operatives of all sorts—he has just spent the better part of a year studying them in action everywhere. And he is only one of fifty investigators who keep Country Gentleman readers in close touch with every development toward more profitable farm methods. Market guidance is but one phase of the all-round service, helping in every problem of your farm business, that will come to you **each Thursday of a whole year for $1.00.** Better order today.

NEW HOME SEWING MACHINES

SOUTH PARIS, 13-15 MAINE

ANNOUNCEMENT

On account of the scarcity of nurses, and the dread most people have of the hospital, I have opened part of my residence to be used for the care of patients. The rooms have been renovated and are airy, homelike and convenient, suitable for people who prefer the quietness of such a place to the confusion of the home or hospital. Local doctors are always available, or your own doctor if preferred. Confinement cases must book their rooms in advance. Prices and references on request.

THE UNIVERSAL CAR

FORDSON

The Ford Motor Company have just issued a book called "The Fordson at Work." This book is given free. Call in and get one. If you cannot call, write and we will mail you one without charge. It is not what the Ford Motor Company says about the Fordson Tractor, but what the army of users have to say. This book voices the hardest kind of practical experience. It shows in illustration the Fordson Tractor at actual work along some ninety different lines of activity. It shows in these illustrations the wonderful versatility and utility of the Fordson Tractor. Shows it to be, beyond all question, the one bit of machinery that is a necessity, not only on the farm, but along many lines of commercial business; especially does it show up the Fordson as a valuable servant on the farm. With it the farmer is relieved of the hard work; because he can take advantage of the weather in preparing his seed bed; he can do it at the right time; the same is true when it comes to harvesting. It solves, to a great extent, the problem of scarcity of labor.

With its wonderful, reliable power, it brings to the farm home all the conveniences, in the way of running water in the house, electric lights, operation of the washing machine, churning, separating the cream from the milk; it assumes and takes to itself the drudgery of farm life both in the field and in the house and it is only a matter of a few years until it will be as universal in its service on the farm as is the farmer himself. It will become a part of farm life; a beneficial part; a profitable part. Get order in for there's a rush coming.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Medicine is taken internally and acts through the Blood on the Mucous Surfaces of the system thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in the curative powers of Hall's Catarrh Medicine that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

THREW AWAY CRUTCHES

Mrs. Fannie Johnson, a lifelong resident of Troy, N. Y., says:

"For years I suffered as I believe no one ever suffered. The joints and muscles of my legs and arms were so sore that to bend the elbows or the knees would almost kill me. I had to get crutches so as to be able to move when I was not in bed. Medicine did not have any effect on me. I decided it was hopeless to expect any relief and thought that my suffering would end only with death. Then one day I read that a man in Binghamton had thrown his crutches away after taking Goldine, and I thought I might be fortunate enough to get the same results from the medicine. I bless the day I got a bottle of Goldine No. 2. I shan't describe the improvement in me, but will say that I can walk good now, can do my housework and can move my arms and legs without pain. I have not even kept the crutches because I am sure that with Goldine in the house I shall never again be troubled with rheumatism."

The Lure of BIRTH STONES

APRIL

It is storied that the God of the Mines called his courtiers to bring him all known gems. He found them to be of all colors and tints and varying hardnesses, such as the ruby, emerald, sapphire. He took one of each, he crushed them; he compounded them; and said, "Let this be a gem that will combine the beauty of all; yet it must be pure, and it must be invincible." He spoke: and Lo! the evolution of the diamond; bringing to the April-born the virtues of Sir Galahad, the while preserving peace and tranquility.

REGAINS HEALTH AT AGE SEVENTY

Mrs. Mary Masser Tells How Tanlac Relieved Her of Fifteen Years of Rheumatism

"I am seventy years old and am just now getting relief from a case of rheumatism that had been troubling me for fifteen long years," said Mary Masser, of 520 Dubuque St., Manchester, N. H., while telling of her remarkable experience with Tanlac.

"The rheumatism was in nearly every muscle and joint of my body and kept me in pain about all the time. My knees and hands hurt awfully and at times would swell up and become stiff. I had pains all through my back and my limbs were so weak I could not walk any distance without giving out. My nerves were all unstrung and my liver was sluggish all the time. I suffered badly from constipation and had frequent headaches. I never wanted to eat much of anything. I became awfully weak and run down. My sleep was broken and restless and I just had to drag myself about the house.

"Before I finished my second bottle of Tanlac I was feeling like a different person. I have taken four more bottles now and am enjoying splendid health once more. The rheumatic pains have all disappeared and so have the swelling and stiffness. I have been relieved of constipation and am no longer troubled with headaches. My appetite is just fine and everything tastes so good that I can hardly get enough to eat. My liver and nerves are both greatly improved and I enjoy sound, restful sleep every night now and feel stronger than I have in many years."

Tanlac is sold by A. L. Clark Drug Co., Norway; Stowell Bros., Locke's Mills; R. E. Pinkham, East Waterford; W. H. Brown, East Stoneham; Heald, Stearns & Kimball, Lovell, H. L. Hutchins Co., North Fryeburg; L. R. Rounds & Co., Waterford, and P. G. Barrett, Welchville, Me.

Doctors Say Constipation Poisons System

The majority of people suffer from constipation which poisons the whole system and causes coated tongues, bad headaches, foul breath; in children often results in high fever and actual illness.

These conditions may be quickly relieved by Dr. True's Elixir—the Family Laxative that has worked wonders for men, women and children since 1851.

"I have great faith in your Dr. True's Elixir. I give it to my boy, it is doing him much good and I would not be without a bottle for anything." Mrs. Joseph Boyce (Tracey Station, N. B.)

You know the symptoms of chronic constipation—sour stomach, belching, bad breath, heavy dull eyes, constant headaches, and general out-of-sorts feeling. Dr. True's Elixir will help you.—Adv.

NOTICE

To the citizens of Norway Village Corpoation:

We herewith call your attention to section 3 and 7 the Private and Special Laws relating to the public sewer of said Corporation.

Section 3. Any person may enter his private drain into any such public drain or common sewer, while the same is under construction and before the same is completed, and before the assessments are made, on obtaining a permit in writing from the corporatoin assessors, or the sewer board having the construction of same in charge; but after the same is completed and the assessments made, no person shall enter his private drain into the same, until a permit in writing is obtained from the village corporation treasurer, by authority of the corporation assessors. All permits given to enter any such drain or sewer shall be recorded by the corporation clerk of said village corporation before the same are issued.

Section 7. Whenever it shall appear to the board of health of the town of Norway, that any cellar or lot of land lying in said village within two hundred feet of any public drain or common sewer, constucted or maintained by said village corporation, or any private drain draining into the gutter of any street, way, lane or alley or upon neighboring property within two hundred feet as above provided, in said village, or into Pennesseewassee stream, so called, or into any branch or tributary thereof, within two hundred feet as above provided, is a public nuisance, said board of health shall give notice thereof in writing to the owner or occupant of said premises and request said owner or occupant to abate said nuisance within such reasonable time as said board of health shall direct; and if said owner or occupant shall not, within the time specified by the board of health, abate said nuisance, the corporation assessors, or a committee chosen by them, shall have the power to connect the premises with the public drain or common sewer, and the property shall be liable for the expense thereof in addition to the assessment fixed by said corporation assessors;

We expect all on Cottage and Main St. to connect with the sewer without further notice, so that the ground will get well settled before cement street is commenced.

The Lydia Fuller stand on Danforth street owned by L. J. Brooks, has been sold to William Sands of North Yarmouth. Transfer was made Wednesday through the Fred Kilgore Real Estate Agency.

Suckers are running in small numbers at Sargent brook, Otisfield, and several fishermen have tried their luck with poor success.

Don C. Seitz, manager of the New York World, was in Portland, Tuesday, and was one of the speakers at the meeting of the Kiwanis Club. His subject was "Disarmanent." Mr. Seitz gave a very excellent talk and declared that altogether too much money is being spent for war. He said that the American Nation is afraid of no one and had always been found prepared for any emergency. He expressed as his opinion that the greater part of the talk of future wars is nothing but German propaganda, and cited several instances where it has been proven that anti-Japanese feeling in California was commenced through the agency of officials in California, now in prison, who had taken their orders from Berlin. He declared that much of the money now being spent for war purposes could be better used in educational departments, good roads and other departments that will lead to progress.

Miles Adams was severely burned about the face and hands and on one arm late Tuesday afternoon, when he started a fire in the kitchen of his home on the Waterford road. An explosion occurred, enveloping the upper part of his body in flames. He was brought to the home of a physician in the village, and after first aid was administered he was taken to the Central Maine General Hospital in Lewiston. Mr. Adams lives alone and was getting ready to prepare his supper when starting the fire.

Complaint is made that the advertisers in the Intelligence Column do not answer letters. One says he has written three letters and got not reply and he is disgusted. This is no way to do. Answer every application. A postal card costs but a penny and a reply is due the applicant.

Mischievious boys got into George Tripp's camp and mixed up his cooking utensils and tinware. Pipes and tobacco was added to the soup which peeved George to the extent of making the parents of the boys settle for it. About this time boys got into the shoe factory of a Saturday afternoon and committed depredations which would have taken them to jail had the law been enforced.

A. C. Hollingsworth has bought the William Curtis parcel extending from Rumford road to the lower end of Cottage street near the foot of Elm Hill. Some twenty-five acres are in the deal, divided into ten acres mowing interval and the remainder pasture and wood.

WATERFORD

Jane A. Knight

Jane A. Knight was called to the higher life, March 12. She was born in Waterford, August 14, 1823, the daughter of Flanders and Mary (Watson) Knight, and the last of a family of ten children. She had been blind for forty years and during that time, had been tenderly cared for by her sister-in-law, Mrs. Ellen Knight, with whom she made her home.

Miss Knight was a member of the Congregational church, and a regular attendant until three years ago, when an injury to her hip, caused by a fall, was added to her other misfortune. She was an earnest christian, always cheerful, ever ready to help the unfortunate, uttering no compliant at her own affliction.

She has left many friends by whom she will be greatly missed, but they know she is now living where she beholds the beauties of the celestial life.

The funeral was held March 14, attended by Rev. Robert E. Jones, pastor of the Congregational Church, interment at Elm Vale Cemetery, South Waterford.

Spring Medicine

Now Needed by Nearly Every One to Purify the Blood and Build Up Strength.

Few come to these trying spring days without weariness, debility, that "tired feeling," caused in large part by impure, de-vitalized blood.

Change of season often "takes all the strength out of me," as many people say.

The tonic and blood purifier needed is Hood's Sarsaparilla. It quickly dispels that exhausted feeling, enriches the blood and benefits the mental, muscular and nervous systems. In a word, says a druggist, "Hood's Sarsaparilla is our most dependable restorative."

Only the best tonic and purifying ingredients used,—roots, herbs, barks and berries, such as physicians often prescribe. A record of 46 years successful use. It will do you good. Try it this spring.

A mild laxative, Hood's Pills.

Hood's Sarsaparilla

IS THE IDEAL SPRING MEDICINE.

He was a most generous worker in the Lord's vineyard, and in the performance of his duties as pastor of the city society and as president of the General Convention of the New Church in America has laid down his life.

JOY BROUGHT INTO HOME

By Lydia E. Pinkham's Vegetable Compound, Restoring Mrs. Benz to Health

Altoona, Pa.—"I am writing to tell you what Lydia E. Pinkham's Vegetable Compound has done for me. We had six children die almost at birth. From one hour to nineteen days is all they have lived. As I was going to have another, I took a dozen bottles of your Vegetable Compound and I can say that it is the greatest medicine on earth, for this baby is now four months old and a healthier baby you would not want. I am sending you a picture of her. Everybody says, 'That is some healthy looking baby.' You have my consent to show this letter."—Mrs. C. W. BENZ, 131 3rd Ave., Altoona, Pa.

No woman can realize the joy and happiness this healthy babe brought into the home of Mrs. Benz, unless they have had a like experience.

Every woman who suffers from any ailments peculiar to her sex, as indicated by backaches, headaches, bearing-down pains, irregularities, nervousness and "the blues" should not rest until they have given Lydia E. Pinkham's Vegetable Compound a trial.

MY DAYS AND NIGHTS IN THE HOSPITAL

No. 2

On the 23d of November, 1920, I was taken to the Maine General Hospital at Portland. The crisis of my trouble had arisen suddenly and could not be treated by the local physicians. When informed that I must have an operation I remember of asking if it could not be performed at home. The answer was in the negative. Then I knew it was a very serious situation for me and prepared for the worst. When I went away I had little or no hope of ever seeing home. Real hope did not come to me till later. Of course I had little idea what was in store for me, but the actual experience after the operation, came no where near what my imagination had pictured it was most likely to be.

I had to be treated soon after I reached the hospital. Doctor Mitchell happened to be there and found no difficulty in relieving me at once. He struck me as being a most skillful surgeon, the master of his art. It was necessary for me to have a period of preparation before any operation could be performed, and this is frequently in two parts—one following the other after a week or such a matter. This was the case with Hon. John P. Swasey, who had an operation of the same kind, last summer. He wrote me since my discharge from the hospital that he felt as well as he did ten years ago. His letter gave me great encouragement of ultimate recovery and good health.

I had a fairly good room on one of the lower floors facing west, but I could not see out of the window from my cot. Had no regular nurse at that time. On touching a button near the head of my cot any one who happened to be within hearing would answer the call. For the two weeks I was in that room I became acquainted with a number of the nurses. I liked them all but one. There was the "Good Joey," Miss Josephine Morin—motherly, pleasant and most agreeable all the time. What a fine attendant she would be for a fretful and peevish old woman, or man, either, for that matter. Her very presence would still their nerves and make them restful. And how soothing her ways would be for a little sick child. Ah, Joey, you were not around me much, but I could see your good qualities and thought I knew what you were best fitted for. I learned that Harry Buck of Buckfield had a daughter, Miss Carrie Buck, in one of the wards. Her course of instruction was to end the last of February. I saw her once before my operation and twice afterwards. We are distantly related. I called her "little Miss Buck." She is a black-eyed girl who will make a fine nurse.

"Goldy," Miss McPheters, I believe her name was, seemed to be always on duty, and faithful as the sun. I think her home was somewhere down East. A Miss Gibson from Fairfield and Miss Hutchins from Fryeburg I only just got acquainted with before I was operated upon and taken up stairs where I had a permanent nurse. They were fine young ladies and among the most intelligent of the nurses. Whether they were specializing for any particular thing I did not learn. No one could help liking them. Little Miss Aura Tracy, "the pink of the lot," had black eyes and is very prepossessing. One would like her at first sight. I saw in fact very little of her. The nurses I saw the most of up stairs I will mention in a later sketch.

Dr. Ralph Milliken, "the orderly," became a great favorite before I left the hospital. He is a large, well proportioned man, florid complection and smooth shaven. He had seen service in the Great World War, had unbounded confidence in Doctor Mitchell, and can do anything short of critical operations. I familiarly called him "Governor" Milliken. In dressing incisions and wounds, I don't believe there is his superior anywhere. The hospital is fortunate to have him on duty. There will always be a warm regard for him as long as I live.

Delayed Moosehead Letter

Rockwood, Maine, Feb. 28, 1921.

"I want a Norway town report for the year just ended, and am willing to pay for same if necessary. Can you send me one?

Great winter at Moosehead—as elsewhere. We had some three feet or more snow up to Jan. 1st, but have had very little since. Don't need it. Steady cold, no thaws and no very cold weather. (Only once 40 below.) Ice about 12 to 14 inches compared with 26 last winter. No frost in ground so we are content to dream of the day, about the last of April (?) when we can slide the canoe into the water.

Ice fishing of the very best. Two of us got the limit yesterday up at "Hardscrabble," 30 pounds of square tails and lakers, (togue). One trout, our best, weighed three and one-half pounds. Oh, Boy! We were some pleased with him. We had 12 fish, 6 lakers and 6 trout. Biggest laker, 6 lbs. Crawford Johnson had one about 9 lbs. Some sport.

If you were as good a winter sport as you are in summer, why, I would ask you to come to my shack and eat bannock and beef (?) steak (shot last fall in open season) with me for a while and we would snail out a few. But when a man gets where he feels he is most a hundred years old, why, I suppose he prefers the seclusion the Weary Club affords, and his whittling. Say, I feel that way some mornings, but it wears off.

Tell Mell and Jim that it may be sport to pull innocent little pickerel out of North Pond, but to set the old blood to tingling, a nifty three pound red spot tingling, a nifty three pound red spot or a good seven pound salmon, wins.

Lew Weston.

The town report was promptly forwarded and no doubt he commenced criticising our wasteful extravagance in the expenditure of public funds.—Editor.

The telephone linemen completed their work in the village, Monday, and went to Oxford, Tuesday, for a long job changing circuits.

Ed Kneland has a crew shingling his buildings on Crescent street.

Dennis Pike, who has been spending several weeks at St. Petersburg, Fla., is expected home about April 10. He has been visiting A. R. Clark the past few weeks and inspecting the lumber business as carried on in the south.

Road Commissioner Harry Lovejoy has his crew smoothing down the rough streets, and filling in muddy spots with gravel.

The Rag dance arranged for the Streaked Mountain Club house, April 1, was postponed owing to bad traveling. Davis orchestra has been engaged for a date to be settled upon later.

Unicorn Dairy Ration

"You can fool a man, but you can't fool his cow!"

It is not the cost of a feed that is killing the farmer and reducing his profits. The real source of his trouble is his failure to run his cows to full capacity and feeding them right and decently. Cows that could give 40 lbs. of milk are running on a 20-lb. basis, and cows that could make 30 lbs. are running on 15.

The reason dairymen continue to use UNICORN is because they get enough more milk and enough more profit out of it to make it worth their while.

STORAGE BATTERY

Remember!

1 That in the ordinary storage battery the insulation is the weakest link.

That in the Still Better Willard the Threaded Rubber Insulation is the *longest lived* part of the battery.

2 That in the ordinary battery both plates and insulation wear out.

That in the Still Better Willard the wear is *cut in halves*—for Threaded Rubber Insulation does not wear out; it is not affected by the solution.

3 That with the ordinary battery the big expense and risk come when you have to tear down the battery and put in new insulation—perhaps with the result that you ruin the plates.

That with the Still Better Willard the Threaded Rubber Insulation prevents this expense and risk.

4 That in the ordinay battery, the insulation between plates carbonizes, causing leakage of current; and perforates, causing short circuits and permitting "treeing."

That with Threaded Rubber Insulation these faults, which greatly reduce the efficiency of the battery, *cannot occur.*

5 That the ordinary battery has to be shipped and stored wet or partly wet—aging and deterioration are almost sure to take place.

That the Still Better Willard with Threaded Rubber Insulation is shipped *"bone-dry,"* not a drop of moisture in it. It begins service in your car as fresh as when built.

Of the 191 passenger cars and trucks using Willard Batteries as standard equipment, 138 have adopted the Still Better Willard with Threaded Rubber Insulation.

EAST OTISFIELD

Chimney Burned Out

Easter morning between 9 and 10 o'clock Mrs. Lizzie Holden's chimney in the main house burned out. As Mrs. Holden and her sister, Mrs. Lucy Goddsoe live all alone, Ernest Peaco and son Linley were called to help in case of need. Mr. Peaco stayed until about 9 o'clock in the evening, then he decided that there was no danger, but the boy, Linley, stayed all night.

Monday morning, when Mrs. Goddsoe, who slept up stairs came down and told them that she could smell something burning. They looked around and opened the doors to the cupboard and clothes press that were built side of the chimney and found there was danger. The boy, Linley Peaco, threw on some water and that seemed to hold it until Ernest Peaco and Will Smith got there. Then, with the aid of saws they soon made a hole so they could get in and stop all danger.

Nahaniel Lamb, who has been very sick for the past few weeks, is some better.

Joe Fortier has moved his family to Oxford into one of the Millett houses, while he is at work in a saw mill for Everett Staples.

Working On The

Stone Pile

Making little ones out of big ones is actually easier on clothes than playing the trade of a professional marble player. Freddie wins a spotted agate by careful shot and Father loses his temper when he views the damage.

In the Spring, outfitting a boy ceases to be a duty and becomes a difficult problem that has only one solution—BETTER CLOTHES. They pay in the end what you pay for them in the beginning.

Our boys' Suits were made to wear—and they will! We stand back of them.

ROOFING ROOFING

We have a large and complete stock of Roll Roofings, including smooth and slate surfaced, with long nails, put up expressly to use over old Shingles. Also Asphalt Multi Shingles, a very desirable and practically fire-proof Roofing. We have Roofing Paint, Nails, Cedar Shingles, etc. On all of our stock we are making very low prices. Before you buy, call and get our prices. It will pay you to do so.

If you are in need of a Congoleum, Gold Seal, Art Rug or Floor Coverings, call and look over our samples. It will pay you well.

Are They Biting?

It's time you got busy and overhauled last year's tackle.

You'll need new lines, hooks, flys, etc.

Imagine your disappointment if, after playing one of those "sporty" boys" for an hour, you lost him because your Tackle was faulty.

Better look over your gear, and let us supply you with your needs.

And say, we've got some flies that are beauties. "Will they bite?" Well, you just try.

When you're here about that fishing trip, let us show you many other things that will make the trip more enjoyable, lunch kits, vacuum bottles, Kodaks, etc.

FAVORED BY PHYSICIANS

Doctors everywhere look with favor on

BALLARD'S GOLDEN OIL

They know its value as a "first aid," before they reach their patients. This is particularly true in remote places where there is sure to be a delay. Nothing better for Croup, Chills, Coughs, Colds, Colic, Inflammation of the Bowels, etc. Should be in every medicine closet for emergencies. Liberal bottles sold everywhere.

NORWAY AND VICINITY

Annual meeting of the Norway Fish and Game Association will be held at the Beals Tavern, Monday evening, April 18, at 7:30 o'clock.

The Norway-Paris Band met at Engine House Hall Monday evening to re-organize and plan for the summer campaign. No meetings were held during cold weather for various reasons, but from now on rehearsals each week will be in order. Allie Cote will lead as last season. Probably their first public appearance will be on Memorial Day, afterward open air concerts may be given if the citizens will offer a little encouragement along financial lines. Expense is necessary to keep the music up to date and a little boosting in town would help the boys amazingly.

The ladies of the Congregational Circle will hold a food sale at the A. L. Clark store, Friday, April 15, at 3 o'clock. Sale will include all kinds of pastry, fish cakes, potato salad and marmalade.

Miss H. M. Taylor is in Boston for a few days.

Mr. and Mrs. Harry V. Cole observed the fourth anniversary of their marriage, Friday evening and invited Mr. and Mrs. Elon L. Brown and Mr. and Mrs. Charles E. Bradford to a dinner at Mrs. John F. Sampson's. A fine menu was served. Afterward the party continued the evening's enjoyment by attending the play and dance at Norway Lake.

Mary Gauthier of Rumford was in town Tuesday and Wednesday.

F. Robert Seavey has returned from a sojourn at St. Petersburg, Fla., feeling fine and anxious to open Beals Tavern when Tony can get the house into shape. Bob is some hunter, and a regular snake killer, too. A diamond rattler skin 5½ feet long, tipped with 11 rattles and a button is on exhibition in the Beals Tavern office to prove Bob's courage. The hunter used a club to destroy the venemous reptile measuring better than 6 feet directly after death. Bob also slew a ground rattler measuring about 15 inches long and has the dried skin to prove that fact.

Gordon Noyes and two friends from the Oxford Spring Sanatorium were in town Tuesday trying the fishing at Lake Pennesseewassee. George "Shavey" Noyes accompanied the party on their trip.

Donald B. Partridge will deliver the Memorial Day address at Hebron in the forenoon and at South Paris in the afternoon.

Dennis Pike, who arrived Saturday from St. Petersburg, Fla., suffered from the effects of a tempestuous sea voyage from Savannah. A big storm was experienced, and several days rough weather destroyed all pleasure and made "home sweet home" in Norway a mighty nice place. Aside from after effects of a rolling ship, Mr. Pike's health is much improved.

Lewis W. Hazelton is employed at Walker's livery stable in place of Ned Cross, who is working for Mr. Walker in the Norway Auto and Sales Co. garage.

Winfield H. Brown of North Waterford was in town with his automobile Tuesday and found the roads in good condition with a few exceptions. He has sold his store at East Stoneham to Virgil Littlefield and will devote his attention to the mill and lumber business at West Stoneham. Considerable lumber sawed the past winter will be hauled to Norway, this with other work will keep him busy until next fall.

Mrs. Florence Fuller, who has been ill the past few months at Mrs. Alice Marston's, is able to go out doors and is gaining slowly.

Regular meeting of the Victory Camp, Royal Neighbors of America, at Moose Hall, next Wednesday evening. Supper will be served at 6.45 with Mrs. Alice Blacquiere and Mrs. Ralph Richardson in charge. The District Deputy will be present and a report of the convention will be given by the delegate attending. It is important that every member should be present.

Melvin Smith, recently discharged from the 5th Field Artillery and home from Camp Traverse, Texas, has organized the Norway Independents, and is manager. This ball team will soon be ready for games with town or high school teams. Albert Payne is captain. The following are the players: Albert Payne, c; Carl Labroke, p; Albert Snow, 1b; Mel. Smith, 2b; "Kit" Frost, ss; Dick Sargent, 3b; A. Olmstead, cf; "Spike" Ledger, rf; Bert Harlow, lf.

The little red bridge crossing Pennesseewassee stream on Horne street has collapsed and vehicles will be unable to pass until a new bridge can be built.

Freeman Smith & Son are laying a cement floor at the Culbert & Grover Garage in Welchville and putting in a cement block cellar wall for Robert F. Bickford.

Carlton Young, who enlisted in the army from Norway a year ago, has been honorably discharged and is located on a farm in Lovell. He passed his year's enlistment at Camp Devens until transferred to the 5th Field Artillery, 2nd Division, at Camp Traverse, San Antonio, Texas.

The small triangular grass plot, corner Bridge and Water streets, is being improved into a small park. Years ago a band stand degenerated to an unsightly pile on this spot. Later a stand pipe for the street sprinkler went on duty, which only slightly improved the appearance of the corner. A neat green sward or flower bed will made a change for the better.

There will be no work at the regular meeting of Lake Temple Pythian Sisters, Tuesday evening, as was expected. The candidates are unable to attend.

Mr. and Mrs. Wilfred Kimball of Dixfield visited his brother, Leon Kimball, and family, Wednesday. They are on their honeymoon, having been married at Dixfield, Tuesday.

George H. Dunn and Roy W. Frost have been drawn as traverse jurors for the Supreme Judicial Court at Rumford in May.

Harry O. Stimson has retired from the office of the Norway Water Co. and Dennis Pike resumed his duties, this week.

Horace Edwards is installing a ventilator over the cooking range at the Alberta Cafe.
